2                   RACHEL DUMAS REY,  
3           having been first duly sworn, appeared in propria  
4           persona, via telephone, and was examined and testified  
5           as follows:

6                               ---oOo---

7                               EXAMINATION

8           BY MS. HOCKING:

9                   Q.   Ms. Rey, may I call you Rachel?

10                  A.   Yes.

11                  Q.   Thank you.

12                   I'm just going to make some preliminary remarks  
13           about what we're doing here today. My name is Anne  
14           Hiaring Hocking and I am the attorney for  
15           Serine-Cannonau Vineyard, Inc., dba Terry Hoage  
16           Vineyards, in cancellation number 92053854. We are  
17           holding today the testimony deposition of Rachel Dumas  
18           Rey.

19                   I wanted to let you know, Rachel, that you  
20           shouldn't have any documents with you, any points of  
21           reference, except the exhibits that I've sent to you and  
22           which I'll refer you to. You shouldn't consult with  
23           anyone about your answers. Just simply answer to the  
24           best of your ability.

25                   Please understand that although this is a

1 deposition, in fact this is testimony as if you were in  
2 a court of law. So you need to ensure that you  
3 understand the questions. If you don't understand the  
4 questions, just let me know. No problem at all.

5 If you need to get up to go to the bathroom or  
6 get a cup of coffee or anything like that, please just  
7 let me know. The important thing is for you to be  
8 comfortable and clear in understanding the questions and  
9 answering them to the best of your ability.

10 Is there any reason why you could not testify  
11 truthfully today?

12 A. No.

13 Q. You haven't taken any drugs or you're not sick  
14 or in any way impaired?

15 A. No.

16 MS. HOCKING: Let me get started. I want to  
17 refer first to Exhibit 1.

18 (Exhibit No. 1 was marked.)

19 MS. HOCKING: Q. I'd like to ask you, Rachel,  
20 if you'd tell me what Compli Compliance Services and  
21 Software is, what your role with the company is and so  
22 forth, please.

23 A. We are a firm that provides both consulting  
24 services and outsourced compliance management for the  
25 alcohol beverage industry and we also have proprietary

1 software that we use in our own business and we also  
2 license to large beverage companies to manage compliance  
3 inside their own companies.

4 Q. And what is your role with Compli?

5 A. I'm the founder and president of the company.

6 Q. When did you found Compli?

7 A. 1997.

8 Q. 1997?

9 A. Correct.

10 Q. Before you founded Compli, before 1997, did you  
11 work in the compliance industry?

12 A. Not specifically in alcohol compliance. I  
13 worked in import/export -- I worked with the Commerce  
14 Department in the Export Administration. So we licensed  
15 exports for U.S. industry trying to sell items that are  
16 more of concern to proliferating countries. So a  
17 different type of compliance.

18 Q. So can you tell me what alcoholic beverage  
19 compliance means exactly?

20 MR. LEWIS: Excuse me. I object. Are you  
21 introducing her as an expert witness?

22 MS. HOCKING: No. She's a fact witness.

23 MR. LEWIS: You just asked her -- okay. Unless  
24 she's an expert witness, I'm objecting. Go ahead.

25 MS. HOCKING: Q. What does alcoholic beverage

1 compliance mean?

2 A. The alcohol beverage industry is regulated at  
3 all levels, highly regulated. So there are federal  
4 regulations and licensing requirements and taxes that  
5 need to be paid at the federal level and then every  
6 state has its own regulations governing the sale,  
7 production and sale of alcohol. Compliance is basically  
8 the classical definition of doing business in the U.S.  
9 and each individual state and following the rules and  
10 making sure appropriate taxes are paid.

11 Q. So in particular do you work with the wine  
12 business?

13 A. Yes. We have several hundred customers and  
14 about 85 percent of our business is in the wine  
15 industry.

16 Q. Who would be representative clients, for  
17 example, in the wine business?

18 A. We work with some very large companies, some of  
19 the largest in the world. We work with companies like  
20 Delicado and then we work with medium-size businesses  
21 like Justin Winery, Treasury Wine Estates which is a  
22 large group of wineries. Sort of the whole spectrum  
23 from starting businesses to large companies.

24 Q. And is Terry Hoage Vineyards one of your  
25 clients?

1 A. Yes.

2 Q. With respect to compliance for selling wine,  
3 what are the processes that somebody needs to go through  
4 in order to sell wine legally in the United States?

5 A. Well, they need to be licensed to either  
6 produce --

7 MR. LEWIS: Again, I'm objecting on the grounds  
8 that I think you're introducing her as an expert  
9 witness.

10 MS. HOCKING: Q. Please go ahead and answer.

11 A. Okay. So again a winery or wine wholesaler,  
12 whoever is selling wine, needs to have some sort of a  
13 federal basic permit and a license in the state that  
14 they're operating in and all wines for sale have to have  
15 federal label approval.

16 MS. HOCKING: Okay. Great. Thank you. I'd  
17 like to turn to Exhibit 2, please.

18 (Exhibit No. 2 was marked.)

19 MS. HOCKING: Q. Actually, let me go back to  
20 Exhibit 1. Can you identify what is in Exhibit 1,  
21 please, Rachel?

22 A. Sure. Exhibit 1 is information about my staff.

23 Q. And does it also provide information about your  
24 compliance services?

25 A. Well, the website itself does, yes.

1 Q. And is it your understanding that these are  
2 printouts from your website?

3 A. Correct.

4 MR. LEWIS: I object. We're talking about  
5 which exhibit now? Those answers don't relate to the  
6 exhibit.

7 MS. HOCKING: Q. Rachel, the contents of  
8 Exhibit 1, are those printouts from your website?

9 A. Yes.

10 Q. Thank you.

11 Exhibit Number 2, can you tell us what this is,  
12 please, Rachel?

13 A. Yes. This is a document that we give to  
14 prospective clients and other industry partners so they  
15 know about us. It includes testimonials from clients  
16 and industry professionals that we work with and gives  
17 statistics about our company.

18 MS. HOCKING: Thank you. I'd like to turn your  
19 attention to Exhibit 3.

20 (Exhibit No. 3 was marked.)

21 MS. HOCKING: Q. Can you tell me, please, what  
22 Exhibit 3 is?

23 A. Yes. It is an certificate of label approval  
24 for The Hedge, which is a product produced by Terry  
25 Hoage Vineyards.

1 Q. Can you explain who Matthew Joseph and Amie  
2 Terese Garretson are?

3 A. Yes. They used to own a winery and they did  
4 some custom bottling for several of their small wine  
5 companies, including Terry Hoage Vineyards.

6 Q. Can you explain what custom bottling is?

7 A. Sure. The Hoages held title to the wine, it  
8 was their wine, and it was moved in bond to the  
9 Garretsons' facility and they obtained label approval,  
10 because the company that typically does the bottling  
11 must obtain the label approval, and they obtained the  
12 label approval on behalf of Terry Hoage Vineyards for  
13 their account. So they had special permission to use  
14 the name, the TH label and obtain label approval for the  
15 Hoages.

16 Q. Thank you.

17 And Compli LLC is on this -- is Compli LLC on  
18 this document?

19 A. Well, we obtained this COLA on behalf of the  
20 Garretsons and the Hoages.

21 Q. Perfect.

22 A. I signed it.

23 Q. Perfect.

24 Can you explain what this term "brand name"  
25 typically refers to in item five on the form?

1           A. Yes. It typically refers to what someone would  
2 generally think of as the brand and then fanciful name  
3 would be other information describing the wine that  
4 would be nonmandatory information.

5           Q. Is the brand frequently referred to as the name  
6 of the company that's getting the COLA approval?

7           A. Yeah. And it's often confusing, you know, what  
8 information actually is the brand when you look at a  
9 label, and so sometimes you'll see a label that has the  
10 company name as the brand and then the actual brand it  
11 was mistaken as the fanciful name. It's really not  
12 material when it comes to getting the label approval,  
13 which is really permission to bottle the wine, and also,  
14 you know, it covers information that has to be verified  
15 later like the appellation or the vintage, that sort of  
16 thing. The bottler is making claims that must be  
17 verifiable later, and the bottler should never bottle  
18 without first obtaining this document.

19           Q. Can you tell me what is the mark, the mark that  
20 appears on the label which is reproduced on this COLA  
21 certificate?

22           A. TH.

23           MS. HOCKING: Thank you. Turning now, please,  
24 to Exhibit 4.

25           (Exhibit No. 4 was marked.)

1 MS. HOCKING: Q. Can you look at Exhibit 4,  
2 please, just by way of identification, these are COLA  
3 label approvals all dated 2006. Did Compli prepare and  
4 file these label approvals?

5 A. Yes.

6 Q. In 2006 who is the applicant?

7 A. The applicant is Serine-Cannonau Vineyard,  
8 Inc., doing business as Hoage Vineyard and -- these  
9 products were actually bottled by the applicant, the  
10 Hoages.

11 Q. So is that why Serine-Cannonau Vineyard is on  
12 this application, not the Garretsons?

13 A. Correct.

14 Q. And what's the brand name on these?

15 A. TH.

16 Q. And the fanciful name?

17 A. It varies. There are several here. There's  
18 The 46, there's The Hedge, the number 34.

19 MR. LEWIS: Can we just clarify that this  
20 exhibit has multiple COLAs on it?

21 MS. HOCKING: Yes. Exhibit 4 contains multiple  
22 label approvals, all of which were in 2006. I have --

23 MR. LEWIS: Can the witness testify to that?

24 MS. HOCKING: Fine. You asked me, George.

25 Q. Rachel, could you identify what is in Exhibit

1 4, please?

2 A. Yes. There are multiple federal label  
3 approvals for Serine-Cannonau's products all in 2006.

4 Q. And when you start on the first page, can you  
5 tell -- the first of these, can you tell us what the  
6 brand name is?

7 A. TH.

8 Q. And the second one?

9 A. TH.

10 Q. The third one?

11 A. TH.

12 Q. The fourth one?

13 A. Terry Hoage Vineyards.

14 Q. The fifth one?

15 A. Terry Hoage Vineyards.

16 Q. The sixth one?

17 A. Terry Hoage Vineyards.

18 Q. And the seventh one?

19 A. Terry Hoage Vineyards.

20 Q. Do you have an opinion about why the brand name  
21 is TH in one and Terry Hoage Vineyards in the others?

22 A. Yes. The brand has always been TH to the best  
23 of my knowledge.

24 MR. LEWIS: I object by the way. I object to  
25 her giving her opinion on this.

1 THE WITNESS: We were instructed that the brand  
2 name was TH and someone, one of my faculty completing  
3 the application, just made a mistake in how they listed  
4 the brand name.

5 MS. HOCKING: Q. But the brand as shown on the  
6 label is what?

7 A. TH.

8 Q. And is that true for each of these label  
9 approvals in 2006?

10 A. Yes.

11 MS. HOCKING: Thank you. I turn your attention  
12 to Exhibit 5.

13 (Exhibit No. 5 was marked.)

14 MS. HOCKING: Q. Can you identify what this  
15 is, please, Rachel?

16 A. More label approvals.

17 Q. What is the year that this one was issued?

18 A. 2007.

19 Q. And what's the brand name?

20 A. TH.

21 MS. HOCKING: Thank you. I'd like you to  
22 please look at Exhibit 6.

23 (Exhibit No. 6 was marked.)

24 MS. HOCKING: Q. It consists of multiple label  
25 approvals. Can you identify the year of these label

1       approvals, please, and who they are for?

2           A.   2008 and they are for Serine-Cannonau  
3       Vineyards.

4           Q.   And the brand name?

5           A.   On the labels is TH.   On the applications it is  
6       Terry Hoage Vineyards.

7           Q.   Is that true for each of these?

8           A.   Yes.

9           MR. LEWIS:   I'm sorry.   Which exhibit are you  
10       looking at?

11          MS. HOCKING:   Exhibit 6.

12          MR. LEWIS:   Okay.   I'm sorry.

13          MS. HOCKING:   Q.   Listed in item six on each of  
14       these, what is the brand name that's provided there?

15          A.   Terry Hoage Vineyards.

16          Q.   And what is the mark used on the labels?

17          A.   TH.

18          MS. HOCKING:   Thank you.   I'd like you to  
19       please review Exhibit 7.

20               (Exhibit No. 7 was marked.)

21          MS. HOCKING:   Q.   And tell us what Exhibit 7  
22       is.

23          A.   These are label approvals from 2009.

24          Q.   And the brand name is?

25          A.   On item six is Terry Hoage Vineyards.

1 Q. And the mark on the labels?

2 A. TH.

3 MS. HOCKING: Thank you. I'd like to turn your  
4 attention to Exhibit 8.

5 (Exhibit No. 8 was marked.)

6 MS. HOCKING: Q. Can you identify what Exhibit  
7 8 consists of?

8 A. 2010 label approvals for Serine-Cannonau.

9 Q. And the brand name in the 2010 label approvals?

10 A. Terry Hoage Vineyards.

11 Q. And the mark on the labels?

12 A. TH.

13 MS. HOCKING: Thank you. And Exhibit 9,  
14 please.

15 (Exhibit No. 9 was marked.)

16 MS. HOCKING: Q. Turning your attention to  
17 those, what is Exhibit 9?

18 A. 2011 label approvals for Terry Hoage Vineyards,  
19 Serine-Cannonau.

20 Q. And the brand name is what?

21 A. TH.

22 Q. And the mark on the --

23 A. The mark is TH.

24 Q. Just to be clear, the brand name in item six on  
25 these applications is what?

1 A. Terry Hoage Vineyards.

2 Q. And the mark on the labels?

3 A. TH. I'm sorry. Somebody just walked in.

4 Q. Do you need to take a break?

5 A. No. I'm fine. Thanks.

6 MS. HOCKING: Okay. If I could please turn  
7 your attention to Exhibit 10.

8 (Exhibit No. 10 was marked.)

9 MS. HOCKING: Q. If you could identify what is  
10 in the documents in Exhibit 10?

11 A. Sorry. Just one second. Close my door here.  
12 These are label approvals for 2012.

13 Q. And the applicant is?

14 A. The applicant is Serine-Cannonau Vineyards,  
15 Inc.

16 Q. And the brand name in item six?

17 A. Terry Hoage Vineyards.

18 Q. And the mark on the front of the labels?

19 A. TH.

20 MS. HOCKING: Thank you. Turning your  
21 attention to Exhibit 11.

22 (Exhibit No. 11 was marked.)

23 MS. HOCKING: Q. Could you identify the  
24 documents in Exhibit 11, please?

25 A. These are label approvals from 2013 for

1 Serine-Cannonau.

2 Q. And the brand name in each of the applications?

3 A. Terry Hoage Vineyards.

4 Q. And the mark as it appears on the label is?

5 A. TH.

6 MR. LEWIS: I'm sorry. I didn't hear that.

7 THE WITNESS: TH.

8 MS. HOCKING: Turning your attention to Exhibit  
9 12.

10 (Exhibit No. 12 was marked.)

11 MR. LEWIS: Excuse me. I'm looking at Exhibit  
12 11. I'm seeing multiple applications again and I didn't  
13 hear the answer. You asked what was the brand name I  
14 believe and she gave an answer and then you asked what  
15 was the mark and I didn't hear the answer to that.

16 MS. HOCKING: Q. All right. What is the mark  
17 on each of the label approvals that are in exhibit --

18 MR. LEWIS: I object because there's no  
19 indication anywhere of a column for using the term mark.

20 MS. HOCKING: Q. Can you answer the question,  
21 Rachel? The question is, what is the mark on the labels  
22 themselves that are shown in Exhibit 11?

23 A. TH.

24 Q. Okay. Thank you.

25 Actually, I have a further question for you.

1 Item six asks the applicant to provide the brand name;  
2 is that correct?

3 A. Correct.

4 Q. And does that brand name, however that is  
5 filled out, does that necessarily appear on the wine  
6 label?

7 A. It does, but it's often interchanged with the  
8 bottler's statement when these applications are  
9 completed.

10 Q. So what is the bottler's statement?

11 A. It's a mandatory statement. The mandatory part  
12 is bottled by which it says bottled by Terry Hoage  
13 Vineyards, Paso Robles, California. The bottled by says  
14 the name and the city and state of the mandatory pieces.  
15 I think there's confusion.

16 My experience is there's confusion between  
17 brand and bottler name when they differ, and because the  
18 bottler name is the name that must be connected to a  
19 federal basic permit in order to make that bottler's  
20 statement, that's where confusion often occurs.

21 Q. Where does the bottler's statement appear on a  
22 bottle of wine?

23 A. Generally on the back label.

24 Q. And so it's on the back label. And is the  
25 bottler's statement large enough for a consumer to see

1 when selecting a bottle of wine for purchase?

2 A. Yes.

3 Q. Is it on the back of the label?

4 A. It's on the back.

5 Q. So when a bottle of wine is on the shelf, is  
6 the back of the label presented to the consumer?

7 A. No.

8 Q. So the front of the label is presented to the  
9 consumer?

10 A. Right.

11 Q. And what is the mark on the front of the labels  
12 that are shown in Exhibit 11?

13 A. TH.

14 Q. Thank you.

15 Exhibit 12, if you can identify these for us,  
16 please, Rachel.

17 A. These are label approvals from 2014 for  
18 Serine-Cannonau Vineyards.

19 Q. And the brand name is identified as?

20 A. Terry Hoage Vineyards.

21 Q. And the mark on the label is?

22 A. TH.

23 MR. LEWIS: I object. There's no reference in  
24 the documents to the mark.

25 MS. HOCKING: Noted.

1 Q. And the mark on the label is?

2 A. TH.

3 MS. HOCKING: Thank you. Exhibit 13.

4 (Exhibit No. 13 was marked.)

5 MS. HOCKING: Q. Take a moment to look at  
6 these if you would. Can you identify the contents of  
7 Exhibit 13, Rachel?

8 A. Yes. These are photographs of bottles of TH  
9 products, The Hedge.

10 MS. HOCKING: Thank you. Turning your  
11 attention to Exhibit 14, please.

12 (Exhibit No. 14 was marked.)

13 MS. HOCKING: Q. Can you tell us what is in  
14 Exhibit 14?

15 A. Yes. These are label approvals for Mendez &  
16 Company which is an importer in Puerto Rico.

17 Q. And how did you find these or did you find  
18 these?

19 A. I did.

20 Q. And what did you do -- what were you doing when  
21 you found this particular label approval?

22 A. I did a search on the public COLA registry for  
23 Terroir Hunter and Viña Undurraga and TH.

24 Q. And so what is in Exhibit 14 then?

25 A. Label approvals for an importer of Viña

1 Undurraga products.

2 Q. So this is not a bottler. This is an importer?

3 A. Correct.

4 Q. And what is the brand name on this?

5 A. Undurraga.

6 Q. And what is the fanciful name?

7 A. TH.

8 Q. And what is the date of label approval?

9 A. April 14, 2011.

10 Q. Do you have an opinion about whether or not  
11 Undurraga wine could be sold in this country with  
12 respect to a label approval?

13 MR. LEWIS: I object. It's far beyond the  
14 competence of the witness in this matter. She hasn't  
15 been qualified. We're not interested in her opinion.

16 MS. HOCKING: Noted.

17 Q. Rachel, is it your business to qualify wines  
18 for sale in the United States?

19 A. Yes, it is.

20 Q. And is part of qualifying wines obtaining label  
21 approvals?

22 A. That's correct. Imported products can't enter  
23 the country without label approval.

24 Q. Is it true that this Undurraga TH product could  
25 not be imported into the United States before the label

1 approval?

2 A. That's correct.

3 MR. LEWIS: I object.

4 MS. HOCKING: Q. Did you search the records of  
5 the label approvals for dates prior to 2011?

6 A. I did.

7 Q. To the best of your knowledge based on your  
8 experience obtaining label approvals and your own search  
9 of label approvals, did you find any label approvals for  
10 Undurraga TH wine prior to 2011?

11 MR. LEWIS: Object.

12 THE WITNESS: I did. The earliest that I found  
13 was 2008.

14 MS. HOCKING: Q. And what was that label  
15 approval for?

16 A. It was also a Mendez --

17 MR. LEWIS: I object.

18 THE WITNESS: -- importer label.

19 MS. HOCKING: Q. And what was the -- go ahead.

20 A. It was for a TH Undurraga wine.

21 Q. Did you find any others?

22 A. There were several label approvals from this  
23 particular importer between 2008 and 2011. I believe  
24 there were 13 total.

25 Q. Did you find any earlier label approvals than

1 2008?

2 A. I did not.

3 MR. LEWIS: Object.

4 MS. HOCKING: Q. In your opinion, if there  
5 were label approvals prior to 2008, would you have found  
6 them?

7 MR. LEWIS: Object.

8 MS. HOCKING: Q. Go ahead.

9 A. Yes, I would have.

10 MS. HOCKING: Thank you. I'm turning your  
11 attention now to Exhibit 15.

12 (Exhibit No. 15 was marked.)

13 MS. HOCKING: Q. Can you tell us what Exhibit  
14 15 is, please?

15 A. Exhibit 15 is a screenshot from the Terroir  
16 Hunter website.

17 Q. Did you search and find this image personally?

18 A. I did.

19 Q. What are the vintages -- are there vintages  
20 described on this website?

21 A. Yes. 2009 vintages.

22 Q. What's the earliest vintage on the website on  
23 Exhibit 15?

24 A. I'm sorry. The earliest vintage listed on this  
25 website is 2007.

1 Q. Do you have an opinion about --

2 MR. LEWIS: I object to the whole use of this  
3 document for the purposes that are being made of it.

4 MS. HOCKING: Fine.

5 Q. When a vintage is identified as being from a  
6 certain year, what does that mean in terms of when -- is  
7 the vintage the same as when a wine is put on the  
8 market?

9 A. No. A vintage is the year that the fruit is  
10 harvested.

11 MR. LEWIS: I object to this testimony.

12 MS. HOCKING: Q. And then typically then when  
13 would a particular vintage year's wine be put on the  
14 market?

15 MR. LEWIS: Object.

16 THE WITNESS: It depends on the type of wine  
17 and it depends on the region in the world where the wine  
18 is coming from, but generally the following year or one  
19 to two years later, sometimes longer.

20 MS. HOCKING: Q. Thank you.

21 What is the mark on the label shown on the  
22 bottle of wine on Exhibit 15?

23 A. TH.

24 Q. What is the most prominent image on --

25 MR. LEWIS: Object.

1 MS. HOCKING: Q. What is the most prominent  
2 image on that label?

3 A. TH.

4 MR. LEWIS: I object.

5 MS. HOCKING: Thank you. I'm finished. If  
6 you'd like to cross-examine, George.

7 EXAMINATION

8 BY MR. LEWIS:

9 Q. Could we take a look at Exhibit 1, please? I'm  
10 sorry. I meant Exhibit 3. Are we looking at it? Is  
11 that yes you have it?

12 A. Yes.

13 Q. On the label, the back label, who is identified  
14 as the party bottling the wine?

15 A. That would be bottled by Hoage Vineyards, Paso  
16 Robles, California.

17 Q. To the best of your knowledge, is that correct?

18 A. To my knowledge it was bottled by Garretsons  
19 Wine Company for the account of Serine-Cannonau.

20 Q. Is that a correct statement?

21 A. Yes. The bottling statement is correct, but  
22 there's more to it.

23 Q. Wasn't it your testimony that the parties  
24 bottling the wine would be the parties filing the COLA?

25 A. They had permission to bottle using the Hoage

1 Vineyards name and they filed that trade name addition  
2 with TTB as an addition to the Garretsons basic permit  
3 for the account of Hoage Vineyards. So it is an  
4 accurate statement.

5 Q. Matthew Joseph and Amie Terese Garretson were  
6 doing business as Hoage Vineyards; is that correct?

7 A. For the account of Hoage Vineyards.

8 Q. I'm reading from the document. It says doing  
9 business as.

10 A. Well, there are other documents that support  
11 this.

12 Q. I'm not talking about other documents right  
13 now. I'm talking about the application here. This  
14 application was made by this party we've identified  
15 previously as the bottler and then they identify  
16 themselves as doing business as Hoage Vineyards;  
17 correct?

18 A. Correct.

19 Q. And the reason why they did that, wasn't it so  
20 they could identify the bottler as Hoage Vineyards  
21 because they said they were doing business as Hoage  
22 Vineyards; is that correct?

23 A. Correct.

24 Q. And wasn't that improper?

25 A. No.

1 Q. Was Terry Hoage Vineyards bottled there?

2 A. No.

3 Q. Who is Hoage Vineyards to the best of your  
4 knowledge?

5 A. It was a trade name that was in use at the  
6 beginning of the Serine-Cannonau business.

7 Q. By whom?

8 A. By Terry and Jennifer Hoage.

9 Q. Not Matthew Joseph and Amie Terese Garretson;  
10 correct?

11 A. Correct.

12 Q. I can go through each and every document, but  
13 I'll try and do this more simply.

14 In any of the documents, in any of the COLAs  
15 that have been presented today, was the brand name  
16 identified as in item five, or whatever the  
17 corresponding paragraph was in each document, was the  
18 brand name identified as TH Vineyards?

19 A. In some of them, yes.

20 Q. Where exactly?

21 A. Four.

22 Q. Exhibit 4?

23 A. Yes.

24 Q. I'm suddenly having trouble with my -- here we  
25 go. Where does it say TH Vineyards in that document?

1 A. The TH under brand name.

2 Q. It says TH. I don't see Vineyards.

3 A. I'm sorry. No. No. It says TH.

4 Q. In any of the documents is the fanciful name  
5 identified as TH Vineyards? I'm sorry. Did you answer  
6 that?

7 A. No. Looking at them again just to verify that  
8 I'm correct. No.

9 Q. In any documents is the applicant identified as  
10 TH Vineyards?

11 A. No.

12 Q. In Exhibit 15, are you looking at that now?

13 A. Yes.

14 Q. Is that a -- the photograph of the bottle, did  
15 you take that photograph?

16 A. No.

17 Q. Have you seen the original photograph? Can you  
18 testify that this is the bottle that is actually in use  
19 with this label?

20 A. I can testify that it is the label that matches  
21 the approved COLA.

22 Q. Well, that wasn't the question. The question  
23 is, do you know -- looking at this bottle in this  
24 picture, do you know that that label is currently the  
25 product? Do you know if that label was ever used?

1 A. I do not.

2 MR. LEWIS: Well, I think that's all my  
3 questions.

4 MS. HOCKING: Thank you. I just have two  
5 questions in redirect.

6 FURTHER EXAMINATION

7 BY MS. HOCKING:

8 Q. Rachel, turning your attention to Exhibit 4,  
9 the applicant for the certificate of label approval is  
10 whom?

11 A. Serine-Cannonau Vineyard, Inc.

12 Q. No. Excuse me. I'm looking at Exhibit 14.

13 A. I'm sorry. I thought you said four.

14 Q. I'm sorry.

15 A. Exhibit 14, the applicant is Mendez & Company  
16 Incorporated.

17 Q. And the brand name is?

18 A. Undurraga.

19 Q. Can you explain how Mendez & Co could claim a  
20 brand name for Undurraga if you know?

21 MR. LEWIS: Objection.

22 MS. HOCKING: Q. If you know.

23 A. The label says Undurraga on the actual label  
24 image and the producer is Undurraga. So I can see why  
25 they would list Undurraga as the brand name, yes.

1 Q. And the fanciful name is?

2 A. TH.

3 Q. Thank you.

4 Turning your attention to Exhibit 15, again  
5 could you tell us what Exhibit 15 consists of?

6 A. Exhibit 15 is a screenshot from the Terroir  
7 Hunter website and it includes images of a labeled  
8 bottle of Terroir Hunter wine.

9 Q. In your experience do the websites for wines  
10 display wines that are for sale?

11 MR. LEWIS: Objection.

12 MS. HOCKING: Q. Go ahead.

13 A. Yes.

14 Q. And viewing Exhibit 15, is it your  
15 understanding that this website is promoting TH wines?

16 A. Yes.

17 MR. LEWIS: Objection.

18 MS. HOCKING: Okay. I think that's it.

19 MR. LEWIS: I have further questions.

20 FURTHER EXAMINATION

21 BY MR. LEWIS:

22 Q. Can we look at Exhibit 14, please? Did you  
23 file this document?

24 A. No.

25 Q. Did you have any knowledge of underlying facts

1 surrounding the filing of this document?

2 A. No.

3 Q. Were you the consultant involved in filing this  
4 document?

5 A. No.

6 Q. Does the label appear in the documents that you  
7 have? The documents that I was provided doesn't have  
8 the image.

9 A. The exhibit does not include the image.

10 Q. Okay. Can you say with any certainty that this  
11 document necessarily relates to a wine produced by the  
12 registrant in this action?

13 A. I don't understand your question. Can you ask  
14 it again?

15 Q. I'm asking if whether or not you know based  
16 upon your review of this document that this is a COLA  
17 application for wine that is produced by the registrants  
18 in this case.

19 A. The registrants being Viña Undurraga or Mendez  
20 & Company?

21 Q. Viña Undurraga is the registrant.

22 A. Do I have knowledge that this COLA relates to  
23 their products?

24 Q. Yes.

25 A. Yes, I do.

1 Q. How do you have that knowledge?

2 A. Because I viewed the label image when I viewed  
3 this application.

4 Q. But that's not in the record here; correct?

5 A. Correct.

6 Q. Do you know what the relationship is between  
7 Mendez & Company, if any, and the registrant?

8 A. In order for the registrant to --

9 Q. I'm asking you do you know?

10 A. Can you ask it again, please?

11 Q. Do you know what is the relationship between  
12 Mendez & Company, the applicant in this COLA, and the  
13 registrant?

14 A. Mendez & Company has registered as an importer  
15 of this product.

16 Q. That you can determine from looking at this  
17 document?

18 A. Yes.

19 MR. LEWIS: I have no further questions.

20 MS. HOCKING: Thank you. Rachel, you've been  
21 very patient. We really appreciate your time today.  
22 Thank you for your time.

23 MR. LEWIS: Okay. We're adjourned?

24 MS. HOCKING: We're adjourned.

25 George, one more thing. Can I have your

1 agreement that Ms. Rey can sign her testimony outside of  
2 a notary public, without a notary public notarization?

3 MR. LEWIS: That's fine.

4 MS. HOCKING: Thank you.

5 THE REPORTER: Counsel, would you like to order  
6 a copy of the transcript?

7 MR. LEWIS: Yes.

eCompli is a web-based compliance software application designed to streamline compliance jobs and automate tasks for your in-house compliance department.

### CONSULTATION DEMO

#### Compliance management

- Quickly create and track new compliance jobs, including licenses for wholesale, direct ship and direct to trade.
- Integrate point-of-sale to automate reporting.
- Monitor distributor appointments, prices, filing dates and approval codes.
- Access online data and new jobs anytime.

#### Automatically generate

- New licenses and license renewals.
- Product registration forms with instruction checklists.
- Monthly shipment reports, state agency sales and excise tax reports.
- Duplicate invoices from imported sales data.

#### Built-in features include

- License, product renewal and state agency reminders and deadlines.
- Set deadlines and track progress toward completion.
- Easily query product registrations and distributor appointments by state.
- Export product registrations and distributor appointments.

#### Organizes and stores all compliance data including

- License numbers, expiration dates, distributor information, product codes and registration status.
- PDF files of licenses, monthly reports, invoices, labels and COLA's.
- Submit salesperson licenses, product registrations, vintage changes and price changes.

#### Always updated, always secure

- Seamless flow of data into eCompli enables automated reporting and real-time compliance checks.
- Data housed on private servers, collocated and professionally managed by an ISP.
- Professional network monitored 24/7/365.
- All data is replicated across multiple servers as well as backed up off-site.
- Multiple servers allow 'fail-over' in case of system failure or disaster.

#### Web services

- Allows compliance checking in real time.
- Buyer age verification.
- Sales tax rate information.
- Address verification.

The benefit to working with Compli is that you maintain control of your compliance administration without having to do the work. Compli's professional staff and online tools provide the highest quality service and up to the minute compliance data. The end result is less risk and greater value.

## COMPLIANCE BASICS

[Definitions »](#) | [Tax Tips »](#) | [Label Information »](#)

### Definitions

#### Alternation of Premises

Multiple operations alternating the equipment and premises operated by the same person (i.e., Bonded Wine Premises/DSP/Brewery/Taxpaid Wine Bottling House).

#### Alternation of Proprietors

Multiple persons alternating the use of/sharing bonded premises and equipment.

#### Consent of Surety

A document that extends the terms of a bond.

#### Certificate of Authority

A corporation or limited liability company is domestic to the state where it was formed. However, if you decide to open up an office in another state, with the express intent to transact business there, you might be required to obtain a Certificate of Authority. Without it, your business may be subject to fines and legal action by the state in which you would be illegally transacting business. In addition, you may forfeit many of your legal rights if you are not qualified to do business in that other state. If a Certificate of Authority is filed, the corporation or LLC is subject to taxes and annual report fees in both the state of formation and any states where the corporation or LLC is qualified. In some states, Certificates of Authority are also known as Foreign Qualifications.

#### Control State

A state in which the state liquor regulatory agency is in the business of wholesaling and or reselling alcoholic beverages at retail. The degree to which the regulatory agency is involved varies by state.

#### Distilled Spirits Plant (DSP)

An establishment qualified under part 19 of 27 CFR for producing, warehousing, or processing of distilled spirits (including denatured spirits), or manufacturing of articles. An establishment qualified under Part 19 for distilling, warehousing, processing or any combination of these. Also required for alcohol reduction in wine.

#### Distilling Material

Any fermented or other alcoholic substance capable of, or intended for use in, the original distillation or other original processing of spirits.

## CONSULTATION DEMO

eCompli allows us to manage all of our compliance in-house. We feel reassured knowing that nothing falls through the cracks.

*Rich Hanen  
Middleton Family Wines*

**Distributor/ Wholesaler**

Entity licensed in a state to purchase product from suppliers and/or importers for resale to retail licensees. In many cases, principles must be residents of the state issuing the license in order to obtain the license.

**Extension of Premises**

Realignment of the bonded premises, to place more of the property on bond.

**In Bond**

- **For Wine**

When used with respect to wine or spirits, "in bond" refers to wine or spirits possessed under bond to secure the payment of the taxes imposed by 26 U.S.C. Chapter 51, and on which such taxes have not been determined. The term includes any wine or spirits on the bonded wine premises or a distilled spirits plant, or in transit between bonded premises (including in the case of wine, bonded wine premises). Additionally, the term refers to wine withdrawn without payment of tax under 26 U.S.C. 5362 and to spirits withdrawn without payment of tax under 26 U.S.C. 5214 (a)(5) or (a)(13) with respect to which relief from liability has not yet occurred.

- **For Distilled Spirits**

When used with respect to spirits, denatured spirits, articles, or wine refers to spirits, denatured spirits, articles, or wine possessed under bond to secure the payment of the taxes imposed by 26 U.S.C. Chapter 51, and on which such taxes have not been determined. The term includes such spirits, denatured spirits, articles, or wine on the bonded premises of a distilled spirits plant, such spirits, denatured spirits, or wines in transit between bonded premises (including, in the case of wine, bonded wine cellar premises). Additionally, the term refers to spirits in transit from Customs custody to bonded premises, and spirits withdrawn without payment of tax under 26 U.S.C. 5214, and with respect to which relief from liability has not occurred under the provisions of 26 U.S.C. 5005(e)(2).

**Processor**

Except as otherwise provided under 26 U.S.C. 5002(a)(6), any person qualified under this part who manufactures, mixes, bottles, or otherwise processes distilled spirits or denatured spirits, or manufactures any article.

**Production**

Wine produced by Fermentation, plus volume increase due to: Amelioration, Wine Spirits Addition, Sweetening, Production of a formula wine, Wine produced by same company outside the U.S.A (27 CFR 24.278(e)(1))

**Proof**

The ethyl alcohol content of a liquid at 60° Fahrenheit (F), stated as twice the percent of ethyl alcohol by volume.

**Proof Gallon**

A gallon of liquid at 60°F, which contains 50 percent by volume of ethyl alcohol having a specific gravity of 0.7939 at 60°F, referred to water at 60°F, as unity, or the alcoholic equivalent.

**Surety Bond**

A surety bond is a contract among at least three parties:

- The principal - the primary party who will be performing a contractual obligation
- The obligee - the party who is the recipient of the obligation, and
- The surety - who ensures that the principal's obligations will be performed. A surety is a person who agrees to be responsible for the debt or obligation of another.
- Through this agreement, the surety agrees to uphold—for the benefit of the obligee—the contractual promises (obligations) made by the principal if the principal fails to uphold its promises to the obligee. The contract is formed so as to induce the obligee to contract with the principal, i.e., to demonstrate the credibility of the principal and guarantee performance and completion per the terms of the agreement. Contract bonds guarantee a specific contract. Examples

include performance, bid, supply, maintenance and subdivision bonds. Commercial bonds guarantee per the terms of the bond form. Examples include license & permit, union bonds, etc.

### Transfer in Bond

The removal of spirits, denatured spirits, and wines from one bonded premises to another bonded premises.

### Unimerc Code

Unique codes ("universal numeric") are assigned by the Distilled Spirits Council of the United States to both wine and distilled spirits. Some states require that these codes be supplied at the same time a product is registered for sale in the state.

### UPC Code

A ten-digit code which consists of a five-digit manufacturer's code, which must be obtained from the Uniform Product Code Council, and a unique five-digit code assigned by the supplier to each brand, type and size in his product line. This is shown as a scan able bar code and is instrumental to retailers for pricing and inventory control purposes.

### Unmerchtable

Wine which has been taxpaid, removed from bonded wine premises, and subsequently returned to a bonded wine premises under the provisions of 27 CFR 24.295 for the purpose of reconditioning, reformulation, or destruction.

## Tax Tips

### Federal Excise Tax Rates

\$1.07 per gallon for wine 14% Alcohol by Volume or less  
\$1.57 per gallon for wine 14.1% to 21% Alcohol by Volume  
\$3.40 per gallon for Sparkling Wine

### Federal Small Producer Tax Credit

Wineries producing (fermenting) less than 150,000 gallons per year are eligible for a tax credit of \$ 0.90 per gallon for the first 100,000 gallons of wine removed from bond during the year. Wineries producing 151,000 to 250,000 gallons per year are eligible for \$0.89 to \$0.01 credit per gallon of the first 100,000 gallons removed. Wineries producing more than 250,000 gallons are not eligible for the Small Producer's Credit.

### California Winegrower Taxes (Filed monthly or quarterly)

\$0.20 per gallon for still wine and \$0.30 for sparkling wine.  
Subject to a \$50.00 or 10% penalty (whichever is greater) if filed late.

## Label Information

### Mandatory Label Information

#### Alcohol Content

A statement of alcohol content in percent by volume appears on most labels. As an alternative some bottlers prefer to label wine with an alcohol content between 7 and 14 percent as "Table Wine" or "Light Wine."

**Appellation of Origin\***

Appellation of origin is simply another name for the place in which the dominant grapes used in the wine are grown. It can be the name of a country, state, county or geographic region called a viticultural area. A country, state or county appellation on the label means that at least 75 percent of the wine is produced from grapes grown in the place named.

**AVA – American Viticultural Area\***

A U.S. viticultural area is a defined grape-growing region with soil, climate, history and geographic features, which set it apart from the surrounding areas. A viticultural area appellation on the label indicates that 85 percent or more of the wine is produced from grapes grown in the particular area.

*\*Appellation of Origin and AVA are mandatory only when variety, vintage, and/or estate bottled, are also on the label.*

**Brand**

The brand name is a name used by the bottler to identify the product. Any brand name is acceptable if it does not mislead the consumer.

**Country of Origin**

A country of origin statement is required on all imported wines. For example, "Product of \_\_\_\_ (insert name of country)."

**Declaration of Sulfites**

Required on any wine intended for interstate commerce that contains 10 or more parts per million (ppm) sulfur dioxide.  
Not required for wines only sold in intrastate commerce.

**Health Warning Statement**

Required on all alcoholic beverages containing .5% or more alcohol by volume. "GOVERNMENT WARNING" must appear in capital letters and bold type. The remainder of the statement may not appear in bold type. The statement reads as follows:

**GOVERNMENT WARNING:**

(1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems.

**Name and Address**

- Domestic wines are required to state "Bottled By," or "Packed By," followed by the name and address of the bottler.
- Imported wines are required to state "Imported By," followed by the name and address of the importer.
- Malt beverage labels are required to state the name and address of the importer or bottler, but are not required to state "Bottled By," or "Packed By."
- Domestic spirits are required to state "Bottled By," "Distilled By," or "Distilled and Bottled By," followed by the name and address of the bottler, packer, or filler, and/or the distiller, blender, maker, preparer, manufacturer, or producer.
- Imported spirits which are bottled, packed, or filled prior to importation are required to state "Imported By," "Sole Agent," or "Sole U.S. Agent," followed by the name and address of the importer.
- Imported spirits which are bottled, packed or filled after importation are required to state "Bottled By," "Imported and Bottled By," "Imported by and Bottled for," or "Imported by \_\_\_\_ and Bottled by \_\_\_\_," followed by the name and address of the importer and/or bottler, packer or filler.

**Net Contents**

The net contents of wine are stated in the metric system of measure and is the amount of product in the container.

**Optional Label Information**

**Estate Bottled**

"Estate Bottled" means that 100 percent of the wine came from grapes grown on land owned or controlled by the winery, which must be located in a viticultural area. The winery must crush and ferment the grapes, finish, age, process and bottle the wine on their premises.

**Varietal Designations**

Varietal designations are the names of the dominant grapes used in the wine. Cabernet Sauvignon, Chardonnay, Zinfandel, and Merlot are examples of grape varieties. A varietal designation on the label requires an appellation of origin and means that at least 75 percent of the grapes used to make the wine are that variety. (Except "Vitis labrusca" grapes such as Concord which require 51%.)

Wine labels are not required to bear a varietal designation. Other designations may be used to identify the wine. Examples are Red Wine, White Wine, Table Wine.

**Vineyard Designation**

A vineyard designation on the label indicates that 95 percent or more of the wine is produced from fruit grown on the designated vineyard.

**Vintage Date**

A vintage date on the label indicates that 85 percent or more of the wine is produced from grapes grown in that year. If a vintage date is shown on the label, an appellation of origin, smaller than a country, must also be shown.

## SERVICES

Alcoholic beverage compliance is challenging and complex. The experts at Compli have the knowledge and experience to manage your compliance matters, whether you are an industry novice or the largest supplier of alcoholic beverages.

Our services are tailored to each client's needs and budget. Many of our clients start out on a project or hourly fee basis to handle special projects, such as federal basic permits, home-state licensing, national licensing, or label approvals.

Full-service clients count on Compli's team of specialists for all their ongoing compliance maintenance. They are secure in the knowledge that their sales and tax reports are being filed accurately and on time, wholesale and direct ship licenses are kept current, and products are registered in the states where they belong.

We provide services to producers, importers, and wholesalers of alcoholic beverages throughout the United States. You can find a complete list of services for your type of business on these pages.
